School Buildings—State Board of Health to Approve Plans. (Act Mar. 12, 1913.)

1601. *Architecture.*—No schoolhouse shall hereafter be erected, repaired, or enlarged in any school district of the State at an expense which shall exceed \$500 until the plans and specifications thereof shall have been submitted to the State board of health, and its approval indorsed thereon: *Provided*, That districts of the second and third class shall also have the approval of the superintendent of public instruction. Such plans and specifications shall show in detail the ventilation, the heating, and lighting of such building.

1602. *Floor space—Air—Light.*—The board of health shall not approve plans for the erection of any school building or addition thereto or remodeling thereof, unless the same shall provide (a) at least 15 square feet of floor space and 200 cubic feet of air space for each pupil to be accommodated in each study or recitation room therein; (b) at least 30 cubic feet of pure air per minute per pupil shall be furnished by a satisfactory ventilating system, which should also provide means for exhausting the foul or vitiating air from the room.

The light shall come from the left or from the left and rear of each schoolroom, and the window space shall be not less than one-seventh of the floor space of each room.

1603. *Penalties.*—The county treasurer shall not make any payments on any contract arising under the provisions of this chapter until the contractor furnishes a certified statement signed by the State board of health that the plans and specifications of the school building to be erected or remodeled have been fully approved by the State board of health.

1604. *Suggestive plans.*—It shall be the duty of the State board of health to furnish to all districts of the third class suggestive plans for school buildings to be erected in conformity with the above rules.

1605. *Vestibules.*—No one and two room schoolhouses shall be erected without a vestibule of reasonable size.

1606. *Care of schoolhouses.*—It shall be the duty of boards of trustees in districts of the third class to require that the school room or rooms shall be thoroughly scrubbed and cleaned, including the floors, interior woodwork, and windows, at least once every three months.

1607. *Water supply and toilet accommodations.*—The board of trustees shall furnish such water supply and toilet accommodations as shall be approved by the State board of health.
